**SCHOOL
MOTTO**

The motto of the school "विद्यैव बलम्" is to educate children by bringing them together and giving full scope to them for their work of intellectual exploration and creativity. This will inculcate in the students a strong foundation of academic excellence and creativity which will enhance their personality to find a respectable place in the future society.

INFRASTRUCTURE FACILITY

Our learning campus is designed by recognized architects to provide an environment and resources vital for the 21st century education. The infrastructure aims at balancing academic & non-academic development needs of every child.

The iconic setup comprises small learning communities with outdoor learning zones instead of traditional four walled classrooms so that each child moves freely and feels secure. We ensure that our students get the best facilities & freedom which we understand is important to bring ease in learning. The state-of-the-art campus caters to seamless blend of academics, sports, performing arts, community and experiential learning program for **holistic development** of a child.

PARTNERS IN DREAM

Parents

As parent, you are the first teacher and the most important influence on your child's growth and attitude towards learning. At SUJAS we always emphasize on strengthening the home - school connection that will inculcate a value system in your child; enhance his/her learning capacity and pace and teach him important life-skills from an early age. Keeping 3-way communication channel open between students, parents and mentors ensures two things; First that parents get to play a direct and active role in their child's growth and Second, a message is conveyed to the child that school and education are extremely important.

Teachers

We as teachers, in whose care you place your child's early learning, take things forward; wearing several hats on the way; that of a guide, friend, & sometimes even of a parent and remain with them at every step of the way, facilitating new experiences, opening windows to the new world for them.

Community

Learning is not just about what happens inside the school or home. Children also learn a lot from the society where they live-in along with their friends. We understand it and provide platform for the positive exposure of children with the community around by field trips, undertaking social initiatives, sharing current affairs and most importantly arranging the interaction of students with experts and institutions in the community to enrich the learning experience and keep them keen for more.

Our School

Our School is happy, kind and caring; it fosters positive relationships and mutual respect. We embrace diversity in a community full of opportunity that is based on fairness.

We celebrate our successes, aspiring to grow academically, culturally and socially so that we can lead happy, fulfilling lives...

MESSAGE FROM THE HONORARY DIRECTOR

The core purpose of education is to provide children with a learning environment which brings out the best in them. We believe that every child is endowed with a unique set of attributes and abilities, which need to be nurtured so that they blossom. Therefore, every child deserves foster academic excellence and all-round development, and ensures their well-being. We are inspired by these tenets in everything that we do at SUJAS GLOBAL School.

At SUJAS, we provide a learning environment that inspires and motivates children, and encourages them to explore limitless possibilities in their quest for knowledge. Since inception, our overarching goal has been to make SUJAS a happy school, where teaching is a pleasure and learning is a

joy; where learning and excelling is a passion, and culture and values have a pre-eminent place.

Our caring and committed teachers are our pillars of strength. They teach our children not just with their minds but with their hearts. They make learning enjoyable and rewarding, and imbibe in children the importance of sound values. Our excellent educational programs are complemented by state-of-the-art facilities and resources, and our focus on sports and co-curricular opportunities facilitates children's holistic education.

Team Sujas Dreams of a school with an Indian mind, an Indian heart and an Indian soul. All these inspire us to continue to do our best, in preparing children for the 21st century.

I warmly invite you to explore SUJAS as we dedicate ourselves for education to young minds.

M.L. Dadheech
Honorary Director
SUJAS GLOBAL School

It gives me great pleasure to welcome you all to our esteemed institution.

R. Bhardwaj

CEO/ Principal
SUJAS GLOBAL SCHOOL

WE PROMISE

LEARNING METHODOLOGY

We impart education by integrating proven, world-class teaching methods with modern infrastructure and technology. Our curriculum emphasizes on activity-based learning for which we create a suitable environment and focus on learning needs of each child rather than a predetermined set of pattern.

We add further value by inculcating a strong sense of discipline and hard work in our kids; thus nurturing them to be future ready to face global challenges. The school lays strong emphasis on constructivist approach where the child is encouraged to be the architect of her/his own knowledge and Mentor act as guides rather than instructors.

Learner centric :

We give students ample opportunity to unique strengths. We believe all children cultivate and interests their explore should have access to an exceptional, personalized education that enables them to live a happy and successful life.

Learning modalities :

classroom teaching, experiential learning, presentations, audio-visual exposure, life real projects, of combination and activities are used to make learning fun, brainstorming and visits community exciting and interesting.

Real World Application :

We believe students learn most effectively when they can understand the concepts and more importantly their implementation to the real world. Our goal is to enable students to make meaningful connections and foster curiosity about the world we live in.

Interdisciplinary learning:

We encourage interdisciplinary learning and avoid artificial separation between subjects. Encouraging students to learn by doing, we promote a deeper level of understanding. Teaching may originate in the classroom, but community, at home and even on family the throughout trips on continue will vacations.

Preparation for life :

Following the age-old wisdom that looks at education as preparation for life, students are groomed to become better human beings and not just pass examinations. At Achievers efforts are taken to instill high moral and values along with necessary life skills in young minds.

Competition with Self :

A child at SUJAS is always competing but not with others, rather this competition is with self. We always emphasize on child's self will .Every child has his own optimal that respect & understand. We never put pressure on any student to do a task he is reluctant to do. This results development of young minds in a stress free environment where every child gets full freedom to grow individually.

THE CURRICULUM

We provide education with an objective to empower students to make decisions, to find creative solutions and plan effective action strategies. The curriculum is structured in a manner that keeps your child in touch with the ever changing world trends, right from the PP3⁺ level to 10+2 level.

We constantly revamp, reinvent and evaluate the classroom and teaching strategy to create the most appropriate education that your child deserves. The study programme for all learning levels is unique because it is a blend of the finest teaching methodologies.

CO-CURRICULAR ACTIVITIES

In our aim to develop love of learning in children that'll last through their lives, we offer a broad curriculum that includes a wide range of extracurricular activities besides academics. Physical and mental development is intended to happen in tandem through indoor and outdoor sports, dance, skating, free play, music lessons, dramatics etc.

Specialized professionals and coaches mentor the child in all co-scheduled. Mentors also ensure that activities push kids in the or burdened is nobody that ensure and activities curricular right direction, promote real world experiences, foster friendship, camaraderie, team work, healthy competition, build self esteem etc.

SUJAS
SINCE 1988

Primary Level **PP3* to Class V**

A thematic approach is designed to stimulate the children through various interactive sessions and activities.

**An extensive use of teaching aids to supplement classroom teaching
Project works in class calls for mass participation. An equal emphasis is laid on developing a strong sense of individuality.**

Field trips and excursions make learning fun.

Use of the newspaper articles, quizzes, crosswords and other learning tools enhance general awareness.

Middle Level

Class VI to Class VIII

The emphasis is laid on building up the structured, student - centred and enquiry - based foundation laid at the Primary level.

The curriculum is research oriented and learning opportunities are provided through work sheets. in the classroom, laboratory time, library time, computer time and small group discussion time.

Personality development is stressed through development of academic knowledge, the ability to question, sensory experiences and a honing of creative expressions.

Emphasis is made on group work including story time, lecture demonstrations, large group discussions, conceptual explanations and group goal setting.

Senior Secondary Level

Class IX to Class XII*

(Proposed)

The emphasis will be laid not merely on information, but also on the learning of academic and practical skills.

The specialized program for this level strives to achieve balance between academic excellence and the life outside the realms of scholastic aptitudes.

An equal focus will be laid on preparing students for the prescribed C.B.S.E.* syllabus and on preparing the students for the various competitive entrance examinations.

Result oriented training will be imparted by experienced professionals who target for total development and desired success.

The concept of Student - ease Study has been introduced to reduce stress levels of students. A synchronized study pattern is maintained between the course content of the board examinations and that of the competitive entrance examinations.

Students will complete access to the various laboratories and library resources, specially designed for the study and research requirements of the senior level students.

UNIQUE FEATURES

Individual Attention: Highly qualified and experienced teaching staff pays individual attention to the pupils as the number of students in every class is limited. Extra lessons / remedial teaching is arranged for weak students in special tutorial rooms.

Uses of Technology Aids: Ultra-modern teaching aids include Computers with colour monitors and printers, LED and Laser Disc etc. A unique, innovative, fun-filled Child ware program introduces your children to the computer software. Educational films will be shown to each class time to time.

Emphasizing Cultural Identity: The school tries to provide a synthesis of the East and the West. In spite of the latest gadgets, Hi-Fi equipment etc. that the school provides, there is an emphasis on Indian Culture and heritage and the students are made to feel proud of their Indian identity.

Sports & Physical Activities: Yoga, Gymnastics and Aerobics are conducted on regular basis. A unique fitness program entails postural diagnosis, rectification of defects and building up of strength, speed, endurance, flexibility and neuro - muscular co-ordination. Modern Infrastructure: All Classrooms, Laboratories, Library, etc. have state-of-the-art furniture.

Hygiene & Cleanliness: Highest standards of cleanliness are maintained. Toilets have proper arrangement of water and soap to maintain personal hygiene of highest order. The school employs sufficient number of housekeeping staff to ensure that there is no speck of dirt anywhere in the school. Only filter water is supplied for drinking purposes through sufficient number of Water Dispensers.

Medical Facilities: A fully equipped medical room with an on-call doctor facility.

Security & Safety: Security guards to ensure safe handing over of children to authorized persons only along with CCTV Surveillance.
